April 30, 2021

Dear Eagle Nation Families,

We hope this letter finds you and your family in good health. With the recent news of Jackson County being moved into the “extreme” category, many of the guidelines for upcoming events have changed. Our community’s health and safety is our first priority for all. We are trying to maintain a balance of notifying families of changes far enough in advance to plan while maneuvering through the fluctuating updates to the guidance.

We would like to notify our Eagle Nation community of the following adjustments to our upcoming events:

Prom

As of today, we are still hosting our Junior/Senior Prom on May 8th as planned. We are in the process of evaluating the new guidance and determining which adjustments, if any, need to be made. The final determination will be made by Tuesday, May 4th, to see if any improvements in our metrics are made. We may have to make adjustments to the two prom groups, but our goal is to leave it as currently planned. The guidance has changed from 150 per session to 100 people maximum per session. There is the possibility that we will need to rebalance our two groups. Please know this is not our preference and we are hoping to see an improvement in our metrics.

Graduation

The graduation ceremony will be moved to Saturday, June 12th. We had been considering making this change and we were in the process of surveying students and getting feedback. Now, we have no choice. We need the flexibility of being able to use all of Saturday to adjust to what may come. If conditions loosen, we can consolidate into one ceremony and issue additional audience tickets to graduates. If they tighten we can expand the number of ceremony sessions to meet requirements. Our goal is to maximize the event for our families while maintaining safety and abiding by the guidelines provided. We will have more information as we get closer to the event in hopes that the metrics improve so we can safely adjust our graduation ceremony schedule.

Please know we are with you and care deeply for all of our students. We want to provide as many opportunities as possible for our students to celebrate the end of the school year that are within our means and the guidelines to which we are held.

Go Eagles,

Heather Marinucci

Heather Marinucci, Principal
